Any comments or additional information:

Air-Innovations Airconditioning & Klimatechniek B.V. is dealer of Panasonic, LG and Daikin heat pumps. Depending on your request and its specifications, we will match the quotation to one of these brands of equipment. If you prefer one of these brands, we would like to hear from you.

We would like to receive this form, completed as completely as possible, by e-mail, info@air-innovations.nl. If we have additional questions based on the information you have provided, we will contact you. The lead time for an indication quote is usually 2 weeks.

Sincerely,

Team Air-Innovations Airconditioning & Klimatechniek B.V.
